

**APPELLATION SERIES – BARREL
SELECT**

Chardonnay

Tasting Notes

Varietal Composition

100% Chardonnay

Vineyard

100% Domenico Estate Vineyard

Enjoy aromas of bright grapefruit and apricot with almond nougat and flavors of peach and toffee. The malolactic fermentation created subtle hints of buttered popcorn-flavored jellybeans with a creamy, smooth finish.

Vintage Notes

- The growing season started was slightly warmer than usual, with soil reinvigorated by a barrage of rain during the month of March
- Near the onset of veraison, an intense heat wave contributed to ample fruit hang-time as photosynthesis slowed, followed by waning temperatures and gentle ripening
- A drizzle of rain in October abated the fear of having a compact harvest and effected a clean break between early and late-maturing varieties

Case Production

170 cases

Cooperage

aged in Russian oak barrels for 9 months

Chemistry

Alcohol 13.8% Residual Sugar pH 3.68

Titration Acidity

0.67 g/L 5.6 g/L
